Subject : Invitation to Participate International Conference on SDGs
and Green Technologies (ICST 2025)

Warm greetings from Universitas Negeri Surabaya.

We are pleased to invite you to join the International Conference on SDGs and Green Technologies (ICST 2025), which will be held in hybrid format on June 25th, 2025, organized by Universitas Negeri Surabaya (UNESA), Indonesia.

Carrying the theme "Bridging Educational Innovation to Green Technology and Environmental Sustainability," this conference brings together academics, researchers, and professionals to exchange ideas, research, and best practices in education and sustainability.

The event will feature keynote and invited speakers from Universitas Negeri Surabaya and leading institutions such as Universiti Sains Malaysia, University of Southern Queensland, University of Melbourne, and Capiz State University.

We invite paper submissions in the following areas:

1. Formal and informal teaching and learning in green technology and environmental education
2. Leadership, administration, and management for sustainable education initiatives
3. Teacher training, professional identity, and development in the context of environmental and green technology education
4. Teachers as researchers in innovative educational practices for sustainability
5. Equity, inclusion, and diversity in access to education related to green technology and environmental awareness
6. Comparative studies involving at least one Asia Pacific country focusing on education for sustainability and green technology
7. Cross-cultural elements in environmental education and the promotion of sustainable practices through innovation.

Selected papers will be published in the *Asia Pacific Journal of Educators and Education* (Scopus Q3) and journals indexed in SINTA 2, 3, and 4.

Please find the attached flyer for further details. We would be grateful if you could share this invitation with your colleagues or professional network.

For more information, feel free to contact Mr. Ahmad Abdullah Zawawi at +62 857-3335-5011, or visit our website at <https://icst.unesa.ac.id>.

We look forward to welcoming your participation in ICST 2025.
